

JOB TITLE AND ROLE (day job) : ESP Physiotherapist Spines

PLACE OF WORK :

Hayley graduated as a physiotherapist from the University of Southampton in 1997. She started working as an Extended Scope Practitioner in 2007 in both primary and secondary care settings. Hayley gained an MSc in Advanced Physiotherapy Practice from the University of Hertfordshire in 2013. Her research detailed the working experiences of ESPs in primary care settings.

Hayley joined the ESPPN in 2012 and currently holds the position of Treasurer.

ROLE AND TASKS IN THE COMMITTEE : Honorary Treasurer

WHY I JOINED THE COMMITTEE:

Passionate about the developing role of the ESP, especially within the primary care setting I have enjoyed being part of teams that have organised excellent training days for ESPs
