

SOUTH WEST LONDON APPN GROUP – LATEST NEWS

The SW London APP group met on Wednesday 17th October 2018.

The meeting was hosted by colleagues based at St Georges hospital Tooting.

There were three presentations.

One by our APP colleague Andrew Bennett on the SW London sustainability and transformation plan.

The other two by Orthopaedic Consultants Ms Shamim Umarji and Mr Amir Sandiford who both work at St Georges and gave talks on Hand and Knee conditions and management respectively.

There was opportunity to catch up with APP colleagues from other clinics and hospitals across the region over tea and coffee.

There was positive feedback for all presentations.

The next meeting will be in the Spring 2019
