

South West London Regional Group
Steve Jones
6th March 2020

We had a meeting of the SW London group on Wednesday 4th March 2020. It was hosted by our colleagues at Chelsea and Westminster hospital.

The meeting included presentations from

Mr Sankey, consultant Orthopaedic Shoulder and elbow surgeon talking about rotator cuff repair

Dr Astrinakis - Consultant MSK Radiologist - regarding MRI of rotator cuff

Mr Jones - consultant Orthopaedic Knee Surgeon - discussing UKR, TKR and robotics

Refreshments were provided by the hosts which were gratefully received.
