

*Connecting and supporting advanced practice physiotherapy across the UK safely exploring emerging healthcare horizons and enhancing person-centred care through clinical excellence*

---

**Diane Reid, Committee member**

**Job Title :** Advanced Musculoskeletal Practitioner and Senior Lecturer in Advanced Clinical Practice, Musculoskeletal Medicine and Injection Therapy.

**Places of Work :**

- Manchester University Hospitals NHS Foundation Trust.
- Manchester Metropolitan University (MMU).

**Background :**

Diane has worked as a physiotherapist since qualification in 1990. She has worked in the musculoskeletal field since 1994 and has been an Advanced MSK Practitioner for the last 12 years. In that time, she has completed extensive post-graduate study across the four pillars of Advanced practice by a modular route. This includes an MSc in Trauma and Orthopaedics, Non-Medical Prescribing, Injection Therapy, Post Graduate Certification in Higher Education, Professional Business Management in Healthcare (MSc module) and the CSP Leadership development programme.

Diane currently works as an AMP within an Interface service at Manchester University Hospitals NHS Foundation Trust and currently leads the development of the clinical competence workstream of the Trust's ACP governance strategy.

Diane also works as Senior Lecturer and part of the Advanced Clinical Practice MSc team at Manchester Metropolitan University. Diane contributed to the development, design and implementation of the new Multi-professional ACP MSc Apprenticeship and ACP portfolio at MMU.

**Why I joined the Committee :**

To bring an educational (HEI) perspective and knowledge to support the activities and developments of the Advanced Practice Physiotherapy Network, aligning with the APPN mission and vision.
