

Nipun Seth, Co-opted Committee Member

Job role: Advanced Practice Physiotherapist

Place of work: Healthshare limited

Nipun Seth qualified in 1999 from Mangalore University, India and later on completed his Master's from the University of Mumbai in 2001. Initially Nipun worked in India and moved to the United Kingdom in 2005 as a Band 6 Physiotherapist. In his pursuit for excellence, he climbed up the ladder and was appointed MSK Team Lead. As part of his lead role, he designed and implemented care pathways for patients within the MSK services to effectively reduce waiting lists. Finishing his Master's Module in Injection Therapy in 2015, he also qualified as an MSK Sonographer and has advanced to perform diagnostic and ultrasound guided interventions. Since 2011, he has been working as an Advanced Physiotherapy Practitioner and is currently working with Healthshare Limited across Central London. Nipun works within the MDT managing complex pain and rheumatological conditions. He is involved in service development and has completed several audits in updating system administrative and clinical pathways. He actively participates in setting up competencies for all Bands and for developing APP's.

Nipun became a co-opted member of the APPN committee in 2019. His desire to contribute to streamlining development as well as assisting in the training of APP roles nationally, motivated him to join this committee. Being a Digital health enthusiast forms the base of his vision to developing a brighter future.

He is blessed with an adorable son and a loving wife. The thirst for general knowledge and world news entices him to read a lot. He has a passion for cricket/swimming. He loves to watch documentaries, travel and explore the world.
