

Connecting and supporting advanced practice physiotherapy across the UK safely exploring emerging healthcare horizons and enhancing person-centred care through clinical excellence

Tim Noblet, Committee Member

Job title: Advanced Physiotherapy Practitioner

Place of work: St George's University Hospitals NHS Foundation Trust

Tim has worked in advanced practice since 2007. From 2014-16 Tim worked as Quality & Advance/ Extended Scope of Practice Professional Advisor for the Australian Physiotherapy Association. He has completed an MSc in Musculoskeletal Medicine and Post graduate certificates in Manual Therapy, Pain Management and Musculoskeletal Injection Therapy. Tim has worked in the UK, NZ and Australia within advanced practice in elite sport, tertiary pain management as well as working as an extended scope/ advanced practitioner in Orthopaedic, Pain and Spinal clinics.

Why I joined the committee:

The advanced practice agenda is moving at an extremely fast pace in the UK. I joined the committee to aid in navigating the current changes and to give back to an organisation that has offered me so much in the past.
